## ADVANTAGE OF 600x1800MM GLAZED VITRIFIED TILES

It's a large Rectangular size which creates a large Surface and gives your space a more contemporary edge. When installed straight or parallel to the walls, long rectangular tiles make the room look longer in one direction. So if , even in a small room, they are placed with the long side parallel to the short wall, they expand the impression of space and restore balance to the proportions.

- 1 Easy to clean 
- 2 Hygienic / Antibacterial surface 
- 3 Water resistant 
- 4 Impact resistant 
- 5 Frost resistant 
- 6 Scratch resistant 
- 7 Chemical & Stain resistant 
- 8 Fire resistant 

## CREATIVE AWAKENING OF DESIGNS

### VERSATILE SIZE

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

### SAFE & SECURE

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

### DESIGN VARIETIES

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

### MORE SUSTAINABLE

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and eco-friendliness.
